Discover Manistee

After dining in downtown Manistee, work off those calories with a stroll on the 1.5 mile Riverwalk. It's a fun way to experience Manistee's unique sights, such as historic architecture and freighters that glide down the river between Lake Michigan and Manistee Lake.

The Riverwalk is handicap accessible with ramps on each end—next to the US-31 bridge and at First Street Beach. All along the Riverwalk there are stairs you can climb to access shops and restaurants in downtown Manistee.

Locally Sourced Foods

Here along the lakeshore, we're lucky that our local farming community provides us with fresh-picked fruits and vegetables. Locally grown food is tastier because it is so fresh! The Farm-to-Table food movement is beneficial to the individual, community, and environment, and can be thought of as a goal or practice for the consumer to buy locally grown or raised food. Eating local, fresh, non-processed foods presents endless nutritional and health benefits.

Try some Mason County goodness at the Ludington Farmers Market, held every Friday afternoon at Legacy Plaza in downtown Ludington. Under the comfort of the covered pavilion, shop for fresh produce, flowers, jams, honey, maple syrup, baked goods, and more. Legacy Plaza offers seating areas, a gas fireplace, and restrooms.

See more Farmers Markets on page 23.

Here's the top produce you'll find from spring to fall:
